Wow! This school year sure went fast. I can't believe I am writing you my final newsletter for the year. I am writing this newsletter with kind of a heavy heart. As the year comes to end, my students will be graduating and moving on to kindergarten. When you are a child's teacher for three years, you grow quite a bond with them, which makes it hard to see them go. I know they will all do great things in the future. Thank you parents for giving me the privilege to work with your child. It has been a joy over the past three years. As for the morning class, I am just excited I don't have to let you go yet! I look forward to meeting my new students.

This month we will finish our recycling unit. We will also review all letters, numbers, colors and shapes.

As you can see on the calendar, we have a couple of important dates coming up. Tea with Moms will be this Friday May 8th. Don't forget your fancy hats. Please send in your child's field trip permission slip ASAP. We need to get a final count to the Nature Institute. The end of the year Carnival/ Graduation will take place on June 1st. The kids that will be graduating need to be there at 10:45 a.m. and those that are not graduating at 11:30 a.m. Please let me know if you have any questions about these upcoming activities.

Reminders

Cafeteria Reminder
As of May 15th, all money owed to the cafeteria must be paid. Students will not be allowed to charge breakfast or lunch for the remainder of the school year. Beginning May 18th through June 1st, nothing can be charged. Students must bring money or parents can use RevTrak to deposit money in their child's cafeteria account.
